

IGS and Aristocrat Jointly Premier Android Social Slot Game—FA FA FA Slots™

TAIPEI/LAS VEGAS, (July 15, 2015) – Aristocrat (Aristocrat Technologies Inc.) and IGS (International Games System Co., Ltd.) have jointly unveiled their world-class mobile slots application—FA FA FA Slots™, an exciting new mobile game that is tailored for the Asia-Pacific Social Casino market.

FA FA FA Slots™ (which translated means Rich, Rich, Rich Slots) for Android, features free-to-play versions of Aristocrat’s incredibly popular slot games that can be found in casinos throughout the Asia-Pacific region. FA FA FA’s first release will feature nine of Aristocrat’s most loved slots from the Asia-Pacific market, including Wild Panda™, Double Happiness™ and 50 Dragons™, with more games slated to be added to FA FA FA in the near future.

“Our mission at Aristocrat is to delight players with great gaming content. We’re launching FA FA FA to bring our popular Asian-themed slot machines to social casino players around the world. Aristocrat and IGS have collaborated closely to build a high quality, tailored, multi-language Asian gaming experience evocative of the excitement and action present on slot floors throughout the region,” said Craig Billings, Chief Digital Officer of Aristocrat.

A.C. Chen, director of Arcade Games Department of IGS, explained, “Based on market studies, social casino games in general reached gross revenue of over 2.8 billion USD last year, and will likely amount to 4.4 billion USD in 2017. This collaboratively developed mobile game from Aristocrat and IGS is tailored for Asian users everywhere, and will surely guarantee a rich experience for casino players. FA FA FA Slots will inevitably lead to a positive impact for players everywhere.”
