Aristocrat’s leading EDGE X™ launches in Europe

December 1, 2019

London, 2nd December 2019

Aristocrat Technologies’ latest premium leased gaming cabinet, EDGE X™ is now available to put players on the edge of their seats in European casinos, following a successful introduction in North America.

EDGE X features two stacked, horizontal, curved 43-inch 4K cinematic LCD screens displaying panoramic views, with stereo symphonic surround sound. A 27” HD topper with game-driven animations is also included, along with an enhanced 2K virtual button deck and dual bash buttons for shared gaming experiences, all in a cabinet that occupies a larger-than-life footprint. Attractive lighting, sound and art are tailored to each game, whilst a range of themed packaging modules allow for customisation to suit any gaming floor location. A prime example of this is the tripod carousel, with game designed wedges and soft-touch interactive sound benches for two players.

Players are set to benefit from three big launch slot titles in FarmVille™, Madonna™ and Mad Max: Fury Road™

The FarmVille slot game is based on the FarmVille social builder and FarmVille social slots enjoyed by more than 100 million players worldwide. Slot players will find all of their favourite characters, farm animals and livestock in a game featuring persistent free games and the popular Mighty Cash™ Hold & Spin mechanic. Adding to the fun is a single-site progressive with grand jackpot starting values of 250,000 or 500,000 credits.

The Madonna slot game invites players to “Get Into The Groove” with entertaining game play that perfectly captures the essence of the “Material Girl”. The game features persistent Mighty Cash Hold & Spin multipliers, free games, “Like a Virgin” wheel bonus and a single-site progressive with a grand jackpot starting value of 500,000 credits. A unique karaoke feature on the button deck also enables players to sing along with their favourite Madonna songs while playing the game.

Inspired by the thrill and excitement of Warner Bros.’ hit movie that achieved $400m in worldwide box office sales and won six academy awards, the Mad Max: Fury Road slot game features a cinematic art package with big, bold symbols, giving the player the feeling of sitting inside the War Rig with Mad Max and Furiosa. A popular cash-on-reels base game feature, triggered by the iconic Doof warrior character, creates a volatile ride with exciting anticipation, whilst the exciting Citadel wheel bonus awards multipliers, jackpots or a unique Sandstorm free games experience with locking wilds and respins. Other bonuses include ‘High Octane’ (special symbols with respins) and ‘Fury Road’ (stacked wilds and wild multipliers). The single-site progressive grand jackpot starts at 1,500,000 credits.
