

Aristocrat's Cash Express™ pulls into ICE in new Luxury Line™ livery

February 2, 2020

London, 3rd February 2020

One of the global casino industry's most celebrated progressive link games, Aristocrat's Cash Express™ is making a return at ICE 2020 on Stand S5-150. Sporting a new Luxury Line™ theme and housed in the new MarsX™ cabinet, the 4-level progressive is supported by three proven base games, 5 Dragons™, Buffalo™ and TimberWolf™ and is available with a flexible range of sidewall packages.

Vice-President, Sales & New Business Development – EMEA, Erik van den Berg said, "Players across the world have a great affinity for the whistle-blowing, steam locomotive-themed original that has powered gaming floors for more than two decades. When Aristocrat first introduced the game, using pioneering Hyperlink™ technology, it set a new benchmark for the way games are played.

"To mark the return of this modernised classic, due to hit European tracks in April, we are offering visitors to the Aristocrat stand at ICE a special pre-order package designed to get their players back on track with an all-time favourite."
