

Update on Final Dividend

Sydney, 17 October 2024

Aristocrat Leisure Limited ("Aristocrat") is scheduled to report its full year results for the period ending 30 September 2024 (FY24) on 13 November 2024.

Aristocrat previously indicated that future dividends are unlikely to be fully franked. Today Aristocrat provides an update that the FY24 Final Dividend is expected to be unfranked due to the growth in business outside of Australia. Determination of the FY24 Final Dividend is subject to Board approval.

Aristocrat continues to focus on disciplined capital allocation to maximise shareholder returns. On-market share buybacks remain an important part of this strategy. Since initiating the on-market share buyback program, Aristocrat has purchased 40.2 million shares at an average price of \$39.56 per share for a total consideration of approximately \$1.6 billion.
