## Aristocrat Gaming™ Unveils First MONOPOLY-Licensed Title, Big Board Bucks™, at the Global Gaming Expo 2025

*MONOPOLY Big Board Bucks will be the first slot title released by Aristocrat Gaming since winning Hasbro's land-based slot license in July*

**LAS VEGAS (OCT. 7, 2025)** – Aristocrat Gaming kicked off the annual Global Gaming Expo (G2E) in Las Vegas with a bang when the company unveiled MONOPOLY Big Board Bucks, the first themed slot title of the recently announced multi-year licensing partnership with Hasbro.

Game details had been under literal lock and key until representatives from Aristocrat Gaming and Hasbro ceremoniously cracked open the vault at the company's G2E booth, revealing the visual spectacle that is MONOPOLY Big Board Bucks.

“MONOPOLY is one of the most globally recognized brands, and we wanted to ensure that Aristocrat’s take on the license evoked both excitement and familiarity for players,” said Craig Toner, CEO of Aristocrat Gaming. “MONOPOLY Big Board Bucks brings dynamic visuals and sounds synonymous with the board game together with innovative hardware, game mechanics, and excitement that Aristocrat is known for. We can’t wait to see the impact this game will make on casino floors next year.”

“Being a part of the grand unveiling of MONOPOLY Big Board Bucks at G2E reinforces our decision to partner with Aristocrat Gaming to bring fresh, bold ways to connect our brand to adult audiences,” said Claire Hunter Gregson, Director, Gaming Relationship. “We are so excited to see the game hit casino floors and bring the MONOPOLY brand to life in a new way.”

MONOPOLY Big Board Bucks leans into the nostalgia of the iconic board game with gameplay elements like player-selectable game tokens, Mr. Monopoly, Free Parking, houses and hotels, and even the famous game board itself. Players will be presented with triple metamorphic gameplay representative of Extra Spins, Extra Properties, and Extra Houses. These metamorphic features lead to the Big Board Bucks Bonus, and may be awarded individually, in pairs, or all together to enhance the bonus. Any of these triggers will lead to the Big Board Bucks Bonus. In the Big Board Bucks Bonus, players have the chance to trigger rewards around the game board and land money bags, properties, houses, and hotels, Free Parking, and even the GO Jackpot Wheel. There’s also an exciting fourth metamorphic with Free Games that will trigger once the meter bar has been filled.

MONOPOLY Big Board Bucks will be released on The Baron™ Portrait cabinet and will include never-before-seen configuration and signage options that will elevate the game’s addition on casino floors in a whole new way.

MONOPOLY Big Board Bucks is anticipated to arrive on casino floors in North America in early 2026.
